FOR KING AND COUNTRY

1. We must fight for our King and Country,
For the cause that is right and true,
We are ready to-day
Duty's call to obey,
'Neath the flag of the red, white and blue.
In defence of the dear old Homeland,
For the honour of Britain's name,
We will vanquish the foe,
All the world to show
Britain's foes shall be put to shame.

CHORUS. We must fight for our King and Country,
For the cause that is right and true,
All united we stand,
One Empire grand,
'Neath the flag of the red, white and blue.
As we fight for our King and Country
For the cause that is right and true,
Though the foe assail,
Britain must prevail,
'Neath the flag of the red, white and blue.

2. See! they come from the far dominions,
At the sound of the battle-cry,
From Australia's shore
Ever more and more
Britain's valiant sons draw nigh.
From New Zealand we hear the echo,
"We are coming to your aid!"
While Canadians call,
"We will stand or fall
For our Empire unafraid!"

CHORUS

3. In the fight for our King and Country,
Let the sound of alarm outring;
From the ends of the earth
There will be no dearth
Of response to the call of the King.
As we fight for our King and Country
As our soldier all danger braves,
We will show to the world,
'Neath our flag unfurled,
'Britons never never shall be slaves'.
